ABOUT US

Our mission at Wilderness Trail is to lead backpacking faith adventures that bring teens closer to God and each other. We do so by leading 3 day, 4 night backpacking excursions through the beautiful Appalachian mountains, providing youth groups with everything they need to get started, and pairing each group with a Wilderness Trail staff to lead them through the mountains and through their faith journey.

Join us for a fun, transformative, and joy filled week at Wilderness Trail this summer!

WHY?TRAIL?

"Wilderness Trail not only gave me the opportunity and faith to do hard things but the community to share my favorite week of the year with."

We believe we are all called to a better life which is a life that follows in the footsteps of Jesus. The wilderness gives us a natural environment to experience this better life!

Our experienced staff members are dedicated to creating a positive and inclusive environment where campers can disconnect, learn new skills, and carry one another's burdens out on the trails, creating rich friendships and memories.

WHATS INCLUDED

\$375 per person

The \$375 price includes almost everything you need, such as: backpacking equipment (tents, packs, etc), all meals/some snacks for the full week, one of our top notch staff members to lead your hike, full programming, and a signature WT t-shirt to show you really did it! Need-based scholarships are available.

Our founders took pride in sharing this experience to all, leading us to the lower price we charge compared to camps similar to ours that rage from \$500 - \$1000+
